

DIRECTOR'S REPORT

Stephanie Anagnoson

Director of Water & Natural Resources

January 3, 2019

COMMUNICATION OPTIONS

- GSA Enewsletter – through Mail Chimp – 330 people on interested party list
- Madera County – You can watch all GSA meetings and BOS meetings (also archived)
- MaderaCountyWater.com
 - Event Calendar
 - Page for each subbasin

SUBMITTING COMMENTS

- GSA meetings and Advisory Committee meetings are public and have time for public comment
- If you cannot attend the meetings, you can submit comments to me and I will read them for you.

SUBMITTING PROJECTS

- Asked for projects at spring and summer subbasin meetings.
- Projects
 - Supply augmentation – purchase water from others
 - Recharge with flood waters – dedicated, on-farm, and dry wells
- Management Actions
 - Conservation easements
 - Establish groundwater allocations
 - Create market for allocations
 - Charge extraction fees
 - Explore options for dry domestic wells/ expand distribution system
- If you have a “project” and haven’t submitted it, you need to do so by mid-January.
