 - Plan may need an update sooner than later

DELTA-MENDOTA SUBBASIN

Help Us Plan for the Future of Our Water Resources

Local agencies are developing groundwater sustainability plans to plan for the future of our groundwater resources. We want to hear from you! Come to an upcoming public workshop to learn more.

You have multiple opportunities to attend:

Los Banos

Tuesday, February 19, 4:00 - 6:00 PM
College Greens Building
1815 Scripps Drive, Los Banos, 93635

Patterson

Wednesday, February 20, 4:00 - 6:00 PM
Patterson City Hall
1 Plaza Circle, Patterson, CA 95363

The content of each workshop will be the same. The first forty minutes of each workshop will consist of an informational presentation. The presentation will be followed by an interactive breakout session where we will discuss the region's groundwater "budget."

Spanish-language interpreters and materials will be available.

For more information, please visit our website at www.deltamendota.org.

We look forward to seeing you there!

NEXT MEETING DATES

- February 12th – Advisory Committee
- Current and future Advisory Committee items
 - Native groundwater distribution
 - Glide paths
 - Crediting System
 - Estimating Water Use
