- There's a lot going on for The Roundtable of Regions that's beyond IRWM plan updates, grant applications, water needs assessments, and project administration. Much of this additional activity is connected to the Governor's Water Resilience Portfolio. I am sending you this brief update on behalf of myself and Lynn Rodriguez, as Roundtable co-chairs, while we schedule and plan a Roundtable conference call, probably in early August and develop a Roundtable website. We're also planning a Roundtable Summit for late October in Southern California. Please contact me at mstadler@sdewa.org if you need more information or have any questions.
- The joint GSP for the Madera Subbasin has made Chapter 1 and Chapter 2 of the GSP available. Click on "[Chapter One](#)" to view or click "[Chapter Two](#)" to view.
- Across Madera County, aggressive non-native plants have permanently taken

over thousands of acres of formerly productive agricultural and wildlands to the detriment of economies that depend on them. For more information about Invasive Non-Native Plants [click here](#).

- Applications are being accepted by the [California Department of Conservation](#) for grants that integrate natural and working lands into local and regional planning strategies. A total of \$950,000 is available for [local and regional projects](#). The application deadline is Wednesday, July 31.
