Or Call: 669-900-9128

1. Introductions
2. **Madera County Drought Response Plan- Senate Bill 552\***

Third Part of the Drafting Plan: Response Strategies  
Frank Lyles and Greg Young- Zanjero Group

3. Participation Opportunities
4. Adjournment

**\*Senate Bill 552** identifies new responsibilities for state and local agencies in preparing and acting in the case of a water shortage event. It requires each county to have a standing drought task force or alternative. Each county must also develop a drought and water shortage risk analysis and response plan for state small water systems and domestic wells within the county.
