

Flow Meter Pre-Approval Attestation Form

Landowner Name: _____

APNs (write on back if necessary): _____

Attestation 1: I attest that the well(s) and flowmeter(s) identified on this application, for pre-approval of flowmeters and enrollment in the private meter measurement pathway, only serve the identified parcel(s) and field(s) on this application. I further understand that if the GSA determines that the information provided is not correct, it may result in removal from the private meter measurement pathway and enrollment in the default Land IQ measurement pathway.

Landowner Signature: _____ Date: _____

Attestation 2: I attest that the information provided on this application, for pre-approval of flowmeters and enrollment in the private meter measurement pathway, fully and accurately represents the current conditions of the well(s) and flowmeter(s). I further understand that if the GSA determines that the information provided is not correct, it may result in removal from the private meter measurement pathway and enrollment in the default Land IQ measurement pathway.

Landowner Signature: _____ Date: _____
