 MAHB-02 Chowchilla Muni Airport 37° 6' 43" N 120° 16' 47" W

Special Considerations

Evacuation and Shelter
 Evacuation routes should be coordinated with Chowchilla Police to ensure consistent message between the two jurisdictions.
 Primary evacuation route is State Highway _____, and secondary being State Highway _____

Coordination with CA Department of Corrections and Rehabilitation (CDCR)
 County OES will notify CDCR of conditions that could potentially impact or prompt an evacuation of Valley State Prison and Central California Women's Facility. CDCR evacuation will follow CDCR procedures.
