

## WATER & NATURAL RESOURCES NEWS FOR GROWERS IN THE MADERA COUNTY GSA

# MAY 2023

---

## MEASUREMENT

---

### Meters

If you are using private meters as your measurement method and have pre-approval to use meters, you must submit your meter readings using the [flowmeter portal](#) for each meter by the 10th of each month. If you do not, you will be shifted to Land IQ, but you will still be able to use your meters as a back-up measurement.

### IrriWatch

If IrriWatch is your measurement method, your reports for the previous month will be live around the 10th of the month.

## Land IQ

If you chose Land IQ as your measurement method, you will receive hard copies of your reports as soon as humanly possible.

---

## LAND REPURPOSING

---

### Targeted Land Repurposing Program (LandFlex) - LIVE!

(Must be in the Madera Subbasin to qualify)

Exciting news! This application period has been extended and is open May 23rd - May 30th. Visit <https://landflex.org/> for more information or to apply! Have questions? Schedule an appointment with our team <https://www.maderacountywater.com/appointments/>

---

## RECHARGE

---

### Governor's Executive Order N-4-23 For Flood Diversion

The Governor of California recently signed Executive Order N-4-23 which allows for flood waters to be used for groundwater recharge in certain circumstances.

---

If you are interested in recharging, please visit the  
[State Water Resources Control Board website](#)

---
