1. Opening
 - A. Flag Salute (Jacob Roberson)
 - B. Introductions (Everyone)
2. Review & Approval – June 23rd Agenda & May 19th Minutes
3. Public Comment

The first 15 minutes of each regular meeting is set aside for members of the public to comment on any item within the jurisdiction of the Group, but not appearing on the agenda. Items presented under public comment may not be discussed or acted upon by the Group at this time. For items appearing on the agenda, the public is invited to comment at the time the item is called for consideration by the Group. Any person addressing the Group under public comment will be limited to a 3-minute presentation to ensure that all interested parties have an opportunity to speak. Also, all persons addressing the Group must state their name and county of residence for the record.

Items of Interest (Jacob Roberson)

- CV-SALTS will be hosting a virtual summit dedicated to building new partnerships and exploring solutions to Central Valley water quality challenges. The summit will be held on Monday, June 30th, from 9 am – 12 pm.

Topics that will be covered include:

- Regional and State Water Quality Goals
- Safe Rural Drinking Water – Addressing the Nitrate Challenge
- Water Quality for Agriculture and Communities – Long-term Salt Management
- Partnerships and Actions – Local and Regional Collaboration

Registration is free, but is required ahead of time to attend. Please [click here to register](#).

- Coarsegold RCD has a round of funding from a Cal Fire grant coming up in early summer to be used for brush removal within 100-feet of homes in [Firewise communities](#). The free program to residents includes removal of brush and small trees and limbing of low branches. The program **DOES NOT** include weed trimming or large tree removal.
- Resource Management Strategies (RMSs) are part of the California Water Plan that can help local agencies and governments manage their water and related resources. The final California Water Plan Update 2023 RMSs were released earlier this year.

DWR is now looking at existing and potential new RMSs to be completed for use in the California Water Plan Update 2028. The RMS team requests feedback from the public on the next round of RMSs to prioritize and update. If you would like to provide feedback, please complete this [online questionnaire](#) by Tuesday, July 1st.
